Dear parents,

The school has an after-school service in charge of monitoring and extra-curricular activities for your children. This daycare is open in the morning before class from 7.30am, at lunchtime and after class, at 3pm in Preschool, CP, CE1, CE2 and at 2.45pm in the CM1 and CM2, until 6pm. With this letter, we wish to bring to your attention the information important for the smooth running of the service for the school year 2020-2021.

### **Morning daycare**

Daycare in the morning is free and is open for all classes from 7.30am.

It takes place in the Silo building for primary school students from the TPS to the 3rd grade (CE2) until 8:20 a.m., when students join their teacher.

For the 4<sup>th</sup> and 5<sup>th</sup> graders (CM1 and CM2), morning daycare takes place in what we call 3C, the library of the Antakalnio building. It ends at 8:15 a.m., when students join their teacher.

### **Lunch time**

Students meet the animators for their lunch break. You can register your child for school meals or provide their meal in a lunch box.

The children have an hour's break divided into two stages: thirty minutes of meals as well as thirty minutes of recess.

All registrations for the meal service are on [EDUKA](#).

### **Evening daycare**

After class, from 3 p.m. to 3:30 p.m., children eat their afternoon snacks, they are under the responsibility of the animators. This half hour is not charged.

At 3:30 p.m., children enrolled daycare are accompanied by animators.

The other children who at 3:30 p.m. are still waiting for their parents are then referred to the daycare. In this case, parents will be charged for the service as well as a penalty of 5 euros.

Parents can choose to leave their child from 3:30 p.m. to 4 p.m. or from 3:30 p.m. to 6 p.m. Rates can be accessed on the school's website.

During the after-school daycare, the children are under the responsibility of animators and games can be organized in the schoolyard or in the daycare rooms.

Parents can register their children for the reception service until Monday morning at 8:30 a.m. for the current week.

Until Friday, September 18, 2020, no prior registration is required.

All registrations for the after-school daycare will be on [EDUKA](#).

### **Wednesday afternoon daycare for preschool students**

On Wednesday afternoons, Preschool students do not have class. The after-school daycare is set up from 11:30 a.m. to 6 p.m. Children are under the responsibility of the animators and games can be organized in the schoolyard or in the classrooms.

The cost of this reception service is 5 euros, charged from 2 p.m. From 11:30 a.m. to 2 p.m., the service is offered by the school.

### **Extra-curricular activities by external teachers (from September 21<sup>st</sup>).**

The school organizes activities offered by external teachers. The activities will take place in three separate sessions: from September 21<sup>th</sup>, 2020 to December 11<sup>th</sup>, 2020, from January 4<sup>th</sup>, 2021 to March 26<sup>th</sup>, 2021 and from March 29<sup>th</sup>, 2021 to June 18<sup>th</sup>, 2021. They last ten weeks and offer the opportunity to practice a sports, cultural, artistic or musical activity to your children in a friendly context. Each activity is open to certain classes so that it is most suitable for children. Families must pay directly for the activities to the teachers.

Most activities last forty-five minutes or an hour, rarely one hour and a half. The child has the option to go to daycare before or after the activity. At the end of the activity, the teachers take the students enrolled daycare while the other children are taken to the reception station. These same teachers have a responsibility to ensure that the child leaves school with a licensed person. If the parents are more than five minutes late for the end of the activity, the child goes to daycare. Parents will be charged for the service plus a penalty of 5 euros.

Due to COVID19 and in order to meet the health protocol, activities are limited to 15 students.

All registrations for the extra-curricular activities of external teachers will be on [EDUKA](#).

### **Student exit protocol**

Parents of preschool students are allowed to pick up their children from the school as in previous years. Because of COVID-19, adults are asked to respect barrier gestures, wear a mask and disinfect their hands with hand sanitizer. Parents are advised not to stay too long in the facility in order to limit the health risks.

Parents of elementary school children must attend the after-school daycare station located in the lobby of the Silo building. As a health security measure, parents are not allowed to go inside the school. The child will be taken to the reception post by the staff.

You may be asked for identification to check if you are allowed to leave with the child.

We are delighted to have all the children back and wish you a great year 2020-2021!
