Dear parents,

Before September 1st you are invited to order on [EDUKA](#) the meal for the desired days of the week, this order will be valid as a **"typical week"** for an entire school year but you will have the opportunity to change it day to day before 8:30 am.

Important:

- In case of absence, parents have to cancel the order on [EDUKA](#) before 8:30 a.m. After 8.30am any modification isn't possible.
- To ensure that no child is left without food, the [EDUKA](#) system automatically orders lunch for all children for all days, so parents just need to make the desired changes.
